Forecast For Northeast England
Issued by Met Office Exeter
at 1600 on Wednesday 03 Nov 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Showers on Wednesday night, longer drier spells on Thursday.

This Evening and Tonight:
Showers continuing near coasts with skies clearing further inland to allow a slight frost to form in some areas. Windy along the coast with strong winds but lighter winds inland. Minimum temperature -1 deg C (30 deg F).

Thursday:
A few showers on Thursday morning near coasts. Drier and brighter inland. Coastal showers easing during the afternoon with some long sunny spells developing. Breezy with strong coastal winds. Maximum temperature 7 deg C (45 deg F).

Outlook for Friday to Sunday:
A cloudier day on Friday but mostly dry. A windy, milder day on Saturday with heavy rain for a time. Colder again on Sunday with brightness and showers. Remaining windy.
